## Cindy Becker

### **Welcome**

Hello! My name is Mrs. Cindy Becker. I retired in the spring of 2022 after 43 years of teaching (36 of those years were at Blue River Valley Elementary). I unexpectedly decided to return in the Fall of 2022 to assist with Title 1 programs. I am excited to work with the students and help staff members while serving in this role.

### **My Education and Professional Background**

I graduated with my bachelor's degree from Indiana State University, and I received my master's degree from Ball State University. As an educator, I continuously looked for ways to further my learning. I have been on numerous committees and led various extra-curricular teams.

### **My Educational Philosophy**

From an early age, I knew I wanted to be a teacher. I love learning from and with the students. I believe every child needs an equal opportunity to learn. I have dedicated much of my life to education and continue to enjoy learning. Blue River Valley has been my other family for over 36 years. Blue River Valley has a supportive community and a staff that supports one another. I am proud to be a Blue River Valley teacher and I hope my students will continue to be lifelong learners.

### **My Family**

My husband, Barry, and I live on a small show-pig farm. We have been blessed to raise four children who have grown-up and now have families of their own. We enjoy spending time with our grandchildren, family, and friends.
