Jamie Jaggers

Welcome

My name is Jamie Jaggers, and this is my first-year teaching at Blue River Valley Elementary School. I work with students receiving special education services and supports in the general education classroom and our resource room. The children I work with are in grades pre – k through 3rd grade.

Educational/Professional Background

I received my bachelor's degree in Early Childhood Education with a minor in Special Education from Ball State University in the spring of 2019. I am now attending Indiana University working towards my master's in special education. I worked at ICAP Head Start from the fall of 2017 to the spring of 2022.

My Educational Philosophy

I believe all children can learn. I want to create an environment where everyone feels safe and comfortable. I want children to feel they can be creative while also learning. I value a classroom culture of learning together.
