## Lacy Ison

### **Welcome and About Me!**

Hello, my name is Lacy Ison. This is my second year at Blue River Valley Elementary school. Last year I worked as a Title One paraprofessional then became the sixth-grade reading teacher. This is my first-year teaching second grade, and I am excited to be here!

### **My Education and Professional Background**

I graduated from Ball State University with a bachelor's in Theatre Education. In 2021 I completed a Transition to Teach Elementary Education. I believe that we are all lifelong learners and have decided to further my education by going to graduate school for Elementary Education to obtain a master's degree, which I am currently working towards.

### **My Educational Philosophy and Thoughts on Our School**

I believe the best way to help students is to build their confidence and establish a growth mindset. I love to celebrate growth in students no matter how small the growth. I do not want students to focus on being perfect but rather focus on growing their abilities. Mistakes are welcomed in my classroom as mistakes are how we learn.
