LORI DICKERSON
PRINCIPAL – BRV ELEMENTARY SCHOOL
BRV ASSISTANT SUPERINTENDENT - CURRICULUM

Mrs. Dickerson recently completed her 14th year in education. She began her career as an elementary teacher and moved into administrative roles six years ago. This is the start of her 4th year at Blue River Valley Schools, and her 2nd year as the elementary principal. When asked about her administrative role, she shares, “I am passionate about education and curriculum, but my favorite part of being in education is the relationships I get to build with my students. I truly have one of the best jobs in the entire world!” Mrs. Dickerson will serve Blue River Valley in two capacities this year. In addition to her role as elementary principal, she also holds the title and job of Assistant Superintendent of Curriculum. She will lead the BRV administrative team and staff in developing a curricular strategic plan in aligning and strengthening Blue River Valley’s K-12 curriculum map. Mrs. Dickerson always leads by example. She is currently attending Indiana State University working on her doctorate in education.

Mrs. Dickerson’s husband, Mike, is a full-time member of the Indiana National Guard. Mr. and Mrs. Dickerson have two children, Jaylee and Mitchell. The Dickerson’s have two dogs and their kids show pigs from the family's farm. Mrs. Dickerson enjoys watching IU sports and you can often find their family camping in their 5th wheel.
