Tracy Wordinger

Welcome and About Me!

Hello, my name is Tracy Wordinger and I am so proud to be a Viking. I have been in education for 23 years. I am currently the Student Services Coordinator which encompasses data coach, media specialist and assistance as needed in the elementary.

My Education and Professional Background

I earned my bachelor's in education in 1998. I earned my Master of Education in 2006. I earned my Administrative License in 2013. I taught 6th grade at Daleville Elementary for 17 years. I moved to teaching 7th and 8th graders at Blue River Valley Jr/Sr High School in 2015. I moved to Blue River Valley Elementary in 2020 and taught 3rd grade and then moved to 4th grade the next year. I am now the Student Services Coordinator.

My Educational Philosophy and Thoughts on Our School

I believe all students hold the potential to learn. I want those students to use my room or their interaction with me as a tool to make mistakes and take chances, but to learn from it. I believe in providing this environment the students can use their problem-solving skills and work toward being a well-rounded student.
